All About US

The Stamps of Life (TSOL) was started in 2009 on a dare and a prayer! Beginning with clear stamps, made in the USA, and growing to include dies, inks, paper and embellishments. Our products are designed to make card making creative and fun.

Stephanie Barnard leads the team as owner and operator of TSOL. In 2018, she brought her creative designs to HSN and has been welcomed by the new audience with sell out, on air segments! Fueled by Diet Coke and a love of connecting with her customers, Stephanie will visit over 26 cities in any given year teaching and inspiring card makers everywhere.

Box-it Die

Die cut one Box-it shape and fold on all crease lines. Die cut two Fold-it shapes, not cut on the fold. Adhere tabs to one of the Fold-its, following the shape of the Fold-it. Align top Fold-it and attach.

Die Information: Box-it Die- For use with all Fold-its and other larger die shape sets. Use the Small Box-it in exactly the same way with your smaller stamp and die sets.

Tips:

If necessary you can trim off one of the segments to accommodate the smaller Fold-its.

If your Fold-it is not symmetrical make sure you flip one shape so they line up.

Use a combination of liquid glue and tape runner for an extra strong hold.
