All About US

The Stamps of Life (TSOL) was started in 2009 on a dare and a prayer! Beginning with clear stamps, made in the USA, and growing to include dies, inks, paper and embellishments. Our products are designed to make card making creative and fun.

Stephanie Barnard leads the team as owner and operator of TSOL. In 2018, she brought her creative designs to HSN and has been welcomed by the new audience with sell out, on air segments! Fueled by Diet Coke and a love of connecting with her customers, Stephanie will visit over 26 cities in any given year teaching and inspiring card makers everywhere.
