You may want to have a few extra sheets of cardstock on hand, as well as some extra colored images. It's possible that Stephanie could make a last minute change or you may want to add an extra image or two.

We encourage you to stay flexible and enjoy the process. Class moves fast so Stephanie can fit it all in. We highly recommend watching during the LIVE so you can take it all in and participate in the chat. Then rewatch and create along with Stephanie at your pace.
